3. To permit the operator to produce the unit allowable in accordance with the provisions of Office of Conservation Order No. 167-F-9, effective March 7, 1995 (at a rate equal to the combined

rate at which the unit well and the alternate unit well or wells located on each unit are capable of efficiently producing).

4. Except to the extent herein designated, to confirm and continue in full force and effect the provisions of the 167-F Series of Office of Conservation Orders and the units created thereby.

5. To consider such other matters as may be pertinent.

The Gray Sand, Reservoir A, in the South Sarepta Field, Bossier and Webster Parishes, Louisiana, was previously defined in Office of Conservation Order No. 167-F, effective November 1, 1963, and redefined by Office of Conservation Order No. 167-F-2, effective November 12, 1974.

The applicant is requesting permission to drill, designate and utilize the aforementioned wells as alternate unit well for the respective units. These wells will permit efficient and economic recovery of hydrocarbons underlying each of the units, will not adversely affect the adjacent offsetting units, and are needed to satisfy the market demand for gas and condensate from the field.

Attached hereto and made a part hereof are plats outlining the applicant's proposals and a list of the names and addresses of the Interested Owners, Represented Parties and Interested Parties to whom a copy of this application is being sent. Pursuant to the Revised Rules of Procedure, such list of parties is being furnished only to the Commissioner of Conservation and to the District Manager of the Shreveport District of the Office of Conservation; however, the list of parties will be provided to any party requesting a copy of it. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Interested Parties and Represented Parties.

Finally, enclosed herewith is our check on behalf of the applicant in the amount of \$2,800.00 **made payable to the Office of Conservation** representing the required hearing application fee .

Very truly yours,

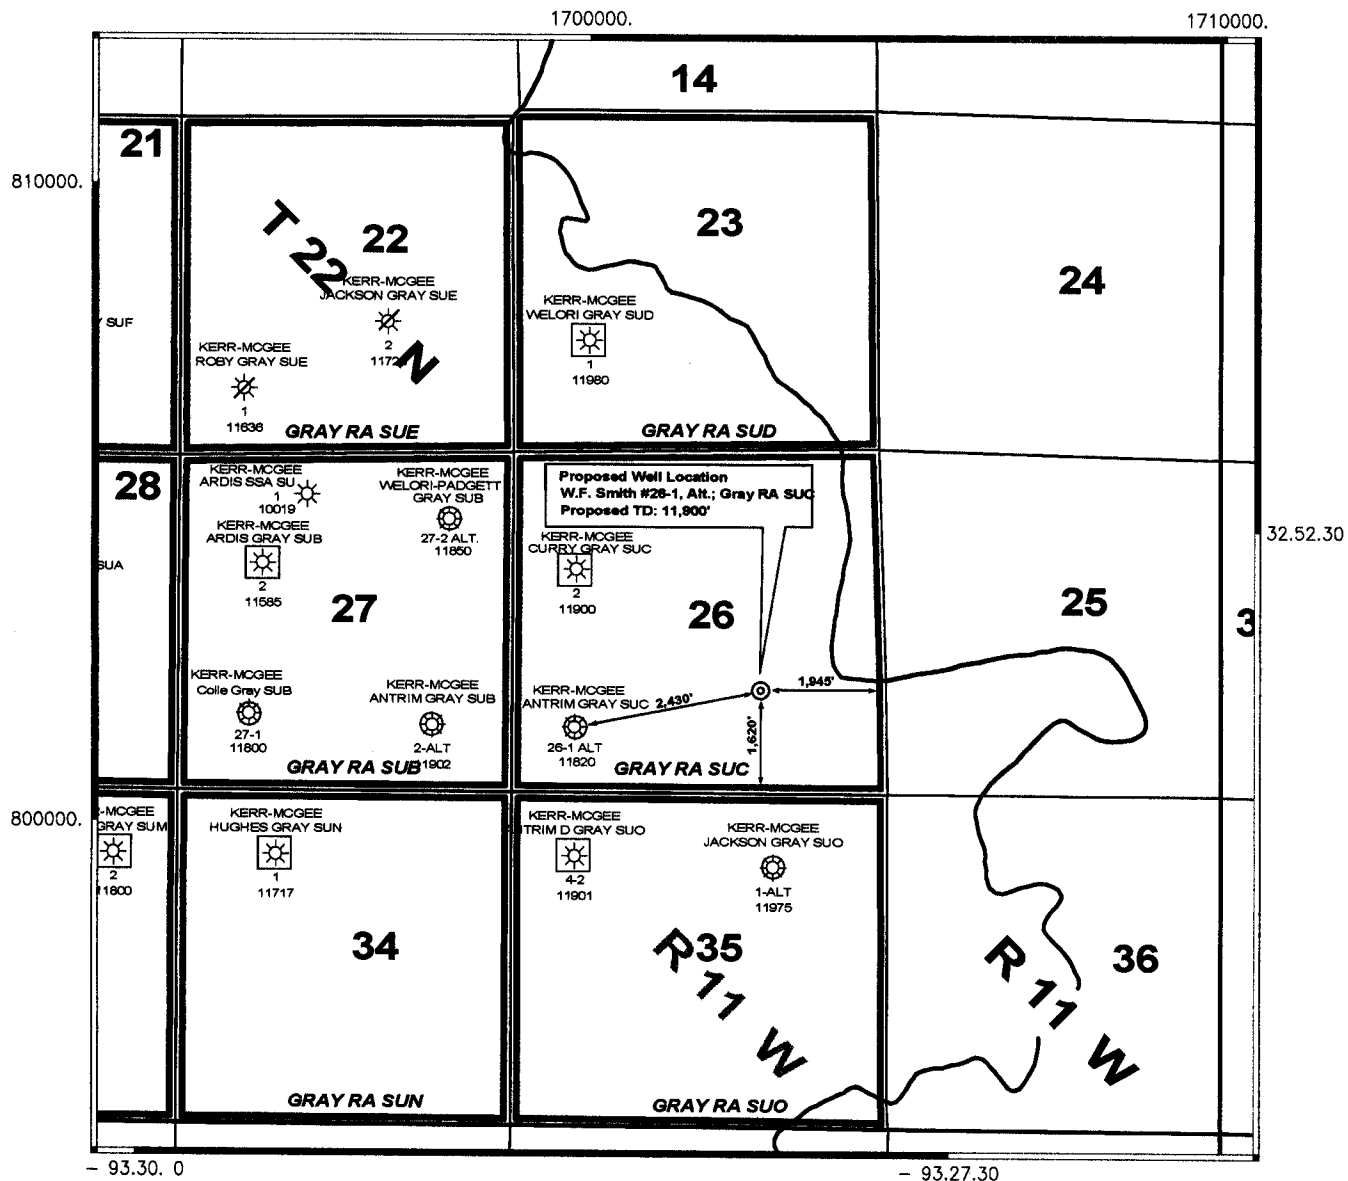

Richard W. Revels, Jr.
